

MR. AND MRS. BASS CLUB OF AUSTIN: CLUB POLICIES

(Amended January 2010)

Section I: Meetings:

1. Club meetings will be held on the first Tuesday of each month at a meeting location agreed upon by the members. The meeting will begin at 7:00 PM. Attendance at the meetings will be restricted to club members and eligible guests. Eligible guests would include potential new members, and other family members of the existing members. Children will be allowed to attend if they are not disruptive. Children and Guests are not allowed to vote on issues or participate in discussions other than when called upon to do so.

Section II: Tournaments

1. Tournament Dates and Lakes will be selected at a monthly meeting two months prior to the month in which they are held. Tournament Times and Weigh-in site will be voted on, in that order, at a meeting held prior to the tournament. There will be a run off vote of the top two lakes voted in. If there is a tie between these two lakes the club president will cast the deciding vote. If nominating a "slot lake" the nomination should include either fishing that lake according to "state regulations" or a "paper tournament." If a night tournament is chosen by the club, the start time of that tournament may begin in the evening of the day before the chosen date.
2. The Board of Directors may cancel or change a tournament location, date, time and weigh-in site if necessary due to unsafe or hazardous circumstances, whatever the cause. If club members select and vote in a tournament date, location, time and weigh-in site which later becomes unsatisfactory with a majority of club members, it will be allowable for members to make a motion to change unsatisfactory results and revote on the issue at a monthly meeting.
3. A fee of \$30. 00 per team shall be paid in order to participate in a tournament and be eligible for prizes.
4. All fishing during a tournament must be done from a boat, fishing with one line per person in the water at a time and no trolling by gasoline engine is allowed.
5. Children may fish during a tournament with a team, so long as their catch is kept separate from the team's fish.
6. All fish will be measured lying flat on their side with mouth closed and tail fin squeezed to obtain maximum overall length.
7. Each Team may weigh in five fish per day. Largemouth/Black Bass and Smallmouth Bass, 14 inches minimum length. Spotted and Guadalupe Bass 12 inches minimum length. When fishing a slot lake (paper or lake rules) no bass less than 12 inches may be weighed in.
8. The Tournament Director will measure fish at his or her discretion.
9. Participating teams may launch from any location on the lake. Teams may not begin fishing until the official start time.
10. As few as one team constitutes a tournament.
11. When fishing a paper tournament each team will receive a score sheet to capture the length/weight of each fish before releasing the fish. In order to qualify for Big Bass in a Paper Tournament, the fish would have to exceed the length limit and be officially weighed in on the club scales at the event. If no Big Bass for either Men or Women, or both, are weighed in, the money will go toward awards for First, Second or Third (if indicated) places
12. To be eligible to weigh-in tournament fish, at least one team member must check-in with the tournament director by the appointed time.
13. Women's Big Bass must come to the weigh-in station marked.
14. The official time for club events is cell phone time. The tournament director will begin the weigh-in 15 minutes after the tournament end time.
15. All protests must be submitted either verbally or in writing within fifteen minutes after weigh-in is completed.
16. The club shall not fish the same body of water in any two consecutive months.
17. The club recommends that all members wear an approved PFD and have the kill switch properly engaged whenever the boat is on plane.

- If you launch your boat on tournament waters on tournament day you will be considered fishing the tournament unless you have notified the club otherwise.
